GRADUATE EDUCATION AT ILLINOIS INSTITUTE OF TECHNOLOGY

The objective of Illinois Institute of Technology's graduate education is to provide programs that enhance students' fundamental knowledge in their chosen field. The university seeks to educate and mentor graduate students to function in a global community with an appreciation of the economic, environmental, and social forces that impact professional choices.

To strengthen the university's leadership role in higher education, emphasis is placed on the core research competencies and enhancing partnerships with industry, government laboratories, and academic and research institutions.

Chicago-Kent College of Law

Anita K. Krug
Dean
565 W. Adams St.
Chicago, IL 60661
312.906.5000
kentlaw.iit.edu

Founded in 1888, Chicago-Kent College of Law is the second-oldest law school in Illinois. When it joined the university in 1969, Illinois Institute of Technology became the first major institute of technology to include law among its disciplines. Chicago-Kent is a national leader in legal education, recognized for its scholarly excellence, practical and hands-on education, future-focused programs, and outstanding foundational skills training. The school is accredited by the American Bar Association and is a member of the Association of American Law Schools and the Order of the Coif.

Chicago-Kent offers programs leading to the degrees of Juris Doctor and Master of Laws, and participates in joint-degree programs with Stuart School of Business.

Institute of Design

Anijo Mathew
Dean
3137 S. Federal St.
Chicago, IL 60616

id.iit.edu

Since its founding as the New Bauhaus in 1937, the Institute of Design has grown into the largest full-time graduate-only design program in the U.S. with students from around the world. The school offers a professional Master of Design degree program with areas of study in communication design, interaction design, product design, strategic design, systems thinking, and user research; a dual Master of Design/ M.B.A. or a dual Master of Design/M.P.A. degree program in partnership with the Stuart School of Business; the Master of Design Methods, a nine-month program for mid-career professionals; and a Ph.D. in Design. The Institute of Design created the country's first Ph.D. design program in 1991.
